

GAUGE MY FLEET™

BETTER DRIVERS, SAFER FLEETS, BIGGER RETURNS...SIMPLY BY REDUCING DRIVING RISK

Turn good drivers into GREAT drivers with this Driving Risk Benchmarking and Loss Prevention Program from your insurance company.

Easy to implement, simple to use. GaugeMyFleet uses data already collected from onboard telematics devices or smartphone mobile apps.

- A free, value-added loss-prevention service
- Earn possible insurance safety credits or premium savings
- Enrolling in GaugeMyFleet is easy...just ask your insurance agent!
- Receive email alerts and reports on driver performance and fleet safety trends
- Receive 90 days of free driving coaching from the experts at the SpeedGauge Safety Center
- Improve your fleet safety scores and share your risk reduction results with your insurer

Safety pays!

- Coach, retain and incentivize drivers
- Reduce speeding incidents; improve driving safety
- Increase revenue and improve efficiency
- Reduce collisions, vehicle injuries and losses
- Lower operational, insurance and legal costs
- Reduce mechanical wear and tear
- Protect your brand and reputation

GaugeMyFleet shows fleet managers where to focus coaching efforts.

Reports, charts, alerts and maps give you access to all the information you need to lower driving risk in your fleet. Data that informs, not overwhelms.

Easily identify:

- Your top performers
- Risky behavior
- Custom limits and geofence zone infractions
- And more...

**Driving Risk Summarized
in One Simple Metric**

Enrollment is easy! Ask your insurance agent about GaugeMyFleet.™
